

DON'T DELAY!

No Progeny Fall 2010 Report

Report your data electronically (Member # and Password Required)
via Member Data-REDS at Redangus.org (click on RRTS then No Progeny Report)

- Females which have not had a 2010 Fall calf or reason code reported.
- Any cow on inventory will be inactivated unless one of the items listed below is reported with regard to her Fall 2010 production.
- Information not received on a cow's 2010 production, a reactivation fee will be required for reinstatement, plus the current year's annual assessment.

To-Do Check-List:

- ✓ Calf record through at least weaning, include calves born dead or that die before weaning, with disposal code for the calf.
- ✓ Reason code if they did not have a calf – Open, ET program (donor/recipient), or moved to Spring calving season.
- ✓ Indicate whether or not you want certificates to be printed.
- ✓ Genetic Defect statement box must be checked for data to be processed.

Data should be received by September 15, 2011!

If you would like the report mailed, please let us know ASAP!
