Internship Position

Deadline for Applications is February 15, 2017

The Red Angus Association of America (RAAA) is seeking a summer intern for 2017. Approximate starting date is May 22, 2017 and ending date is negotiable depending upon applicant (approximately mid-August). This is a full time, paid position. The headquarters for RAAA will be in Commerce City, Colorado, but working from home may be negotiable, depending on applicant and proximity to the RAAA office. Applicants must have successfully completed at least one year of college or university education.

Responsibilities of this internship:

- Conduct Feeder Cattle Certification Program (FCCP) and Allied Access (AA) audits (travel required) to commercial ranching operations.
- Set travel schedule and contact producers for visits for the audits. (Travel expenses are reimbursed).
- Attend orientation session in the RAAA office (travel expenses covered).
- Must be a self-starter and have the ability to keep a schedule.
- Report to other staff members.
- Participate in weekly conference calls and other meetings as required.
- May be required to attend Superior Livestock Auction video sales and staff the booth.
- Visit feedlots and commercial ranches as needed.
- Travel with other staff as part of the training process.
- May be asked to write some short stories, take photographs, or conduct interviews.
- Other duties as required.

Applicants should possess:

- A good working knowledge of the beef cattle industry.
- Strong communication skills.
- A valid driver's license and reliable transportation.
- A strong work ethic.
- Ability to stay on track with duties assigned.
- Personal appearance and maturity to reflect a positive, professional image of the RAAA.
- A personality that reflects excellent manners, speech, and oral communication skills.

Interested applicants should email a cover letter and resume with at least three references by February 15, 2017 to:

Gary Fike, Director of Commercial Marketing
gary@redangus.org

Applications not meeting any of the above requirements will not be considered.
