76 Red Angus Herd Bulls and Range Bulls \$4,572

It was a sunny but cold day in Madras for the Fourth Annual Western Classic Bull Sale. One of the stoutest sets of Red Angus bulls to sell in the northwest with power bulls from beginning to end. A nice crowd was on hand to evaluate the offering along with several buyers being represented on Superior Livestock Auction and DV Auction. The bulls averaged at the top of breed for all indexes not to mention loads of value for the beef industry.
