

### **23<sup>rd</sup> Annual “Generations of Predictability” Production sale**

The Brawner family hosted their 23<sup>rd</sup> annual production sale at the ranch south of Wood Lake, NE. A modest crowd was on hand to bid on a great set of coming 2-year-old Red Angus and Limousin/LimFlex bulls. The month prior to the sale several large blizzards had passed through the area with the most recent just days before sale time. This kept a large number of buyers at home shoveling snow and trying to get cows fed and chores done. This year’s sale highlighted the son’s of Fritz Monument 618G, a senior herdsire at Bullis Creek. The buyers approved and bid on these new genetics with 10 Monument son’s averaging \$5925.
