

PARAMOUNT

Elevate to a more valuable female.

For over a decade, Red Angus females have commanded more at auction than all other breeds, including Angus. According to Superior Livestock data, Red Angus heifers brought nearly \$17/cwt more – **that equates to a \$92/head premium on a weaned replacement female.**

Build a better cowherd with stronger selection tools

By testing commercial females, cattlemen can make improved selection decisions, targeting performance and herd-quality goals.

Red Navigator DNA test provides:

- Parentage (if sire is DNA tested)
- Genetic assessment (percentile rank) for each RAAA trait
- Most accurate results on commercial females that are 75% or more Red Angus

Take your herd to the next level:

1. Contact RAAA to order test kits.
2. Collect samples: Blood or tissue samples required for testing.
3. Submit DNA samples and payment to RAAA.
4. Call the DNA department for your custom results timeline.
5. Receive personal consultation on the DNA results with a member of the RAAA staff member.

Order test kits by contacting the DNA Department:

940-387-3502, Ext. 14 • dna@redangus.org
